MEN AND WOMEN OF ENGLAND WRITING A NEW CHAPTER

Battle Of Churchill Against Hitler

"The men and women of England are writing a new chapter. They are speaking for England and we, of the North American Continent, can only sit with bated breath waiting until the hours of destiny tick away."

"It was so in Czechoslovakia in 1938. It was so when I heard Herr Hitler raving in Berlin and it was so in September last year when a Conservative M.P. used the immortal words in the House of Commons: 'Speak for England' and it was so when we waited for the French counter-attack that never came."

The above are extracts from a broadcast talk delivered in Canada recently by Mr. M. H. Halton, a Canadian journalist, and which was read out by Mr. Jerry Wilmet from Daventry last night in the Overseas Service of the B.B.C.

"Just before the war began and when the beat of its fearful wings were even then clearly audible, someone remarked sardonically that the sky was full of English chickens coming home to roost."

"We had made frightful mistakes up to that time. We had thought of our privileges and rights more than of our honour and safety and failing to see that the nation and the commonwealth must grow bigger or grow less according to the law of nature. Then the war came and strength and truth came at last," said Mr. Halton.

GOT TO HURRY
"The British people," he continued, "purged themselves of the jitterers. With this purging complete, we must now darken the skies with war planes. We have got to do it and we have got to hurry."

"It would be a monstrous thing for mankind if we did not have sufficient planes to bring human decency into this world. If decency goes under in Europe, it will become an armed camp. Conscription and crippling taxes would make themselves felt here as in Europe. Canada would lose her best markets overnight. Who would buy our wheat and motor-cars? Not Britain, because she would be impoverished. Not America, because she would have her own supplies of these products. We have got to arm to the teeth."

"The issue being fought out so bravely by the British people," said Mr. Halton, "is not only for decency and safety, but also for the daily bread and happiness of Canadians in every province and of every class. If the last ten years has taught us anything, it is that idealism is the only realism and if nations are not to go down in ruins they must devise a reign of law."

Mr. Halton added that there will come a time when Nazism will be defeated and one of the first steps was to realise that Nazism can be defeated.

NOT SUPERMEN
"The Nazis are not supermen," declared Mr. Halton, "When have

SOVIET TOLD ATTEMPTS AT EXTENSION OF INFLUENCE IN EGYPT MUST CEASE: GERMANY AND ITALY INTEND TO "PROTECT" THE BALKAN COUNTRIES

NEW YORK, Oct. 18 (REUTERS)—A REPORT THAT THE GERMAN DELEGATION IN MOSCOW INFORMED THE SOVIET FOREIGN OFFICE THAT ATTEMPTS TO EXTEND SOVIET INFLUENCE IN EGYPT MUST CEASE, WAS SENT TO THE NEW YORK NEWS BY ITS HELSINKI CORRESPONDENT.

The correspondent adds that the Soviet was informed that Germany and Italy intended to "protect" the Balkan countries from further Russian penetration.

The delegation also suggested, he adds, that the Soviet should supply millions of tons of grain and other products urgently needed to feed Holland, Belgium and Northern France.

"Economic co-operation" was also suggested whereby Germany would retain part of her markets in the Baltics and Bessarabia.

M. Molotov, Soviet Foreign Commissar and Prime Minister, received the Turkish, Japanese and German Ambassadors in a series of visits which ended last night, stated a news bulletin from Daventry last night.

Turkish newspapers point to the danger of attaching too much importance to the possibility of a move by Russia, whose main interest appears to preserve her neutrality, while her relations with Turkey have improved.

COL. BECK ARRESTED
News from Bucharest states that conditions in Rumania are on a par with those in other German occupied countries. Several Polish high officials who fled to Rumania have been arrested, among them being Col. Beck, former Polish Foreign Minister.

Other reports say that the Germans are helping the Rumanians to build submarines at Galatz and that German anti-aircraft batteries and searchlight posts have been erected on Rumania's oil fields.

BRITONS LEAVE

BUCHAREST, Oct. 18 (Reuters)—The last main batch of some 70 British subjects left here for Istanbul yesterday and another 30 are leaving in a few days.

Their early departure is due to the fact that the first batch on Monday were so thoroughly searched that the departure of the vessel taking them from Constantza to Istanbul, may be greatly delayed.

In addition to the main departure for Istanbul, a number of Britons are travelling to Sofia and Belgrade, others as far as Athens.

15,000 NAZI TROOPS

At present the number of German troops in Rumania is 15,000, mostly technicians, but it is expected to total 30,000 by Oct. 31.

Perennial Storm Centre Of Europe

Arrows on map indicate the line of advance attempted by Germany, Russia, and Italy whose aspirations converge upon the Balkans making that peninsula a continual centre of friction and strife. An offshoot from the German arrow is shown heading for the rich Ukraine.

17,569 CIVILIAN AIR RAID CASUALTIES

The number of civilian air raid casualties in the United Kingdom during September, according to a news bulletin from Daventry last night, was as follows:—
Killed—6,954; seriously injured—10,615.

Enemy air attacks on Thursday night were again directed particularly against London, but a number of bombs were also dropped on a town in the Midlands and on the Merseyside. There were isolated attacks on several other parts of the country, particularly in the south, says British Wireless.

This is stated in an Air Ministry and Ministry of Home Security communique which adds: "Houses in many parts of London and the suburban areas were hit, but the total damage to dwelling houses and industrial buildings was not severe."
Reports of the casualties are not yet complete, but there is no indication that the number is large. In a town in the Midlands, houses were damaged, but there was only very slight damage to industrial buildings. On the Merseyside, attacks bore similar result, damage being almost entirely confined to dwelling houses, a number of which was demolished. In both areas, fires were started, but they were speedily put out. Casualties, though few, included some persons killed.

DAILY DOUBLE

COURTING EVE and A ROARING TIME

LEGAL RIGHTS IN EVACUATION: GOVERNMENT'S POWERS

Special to the Hongkong Daily Press

The question as to whether the Hongkong Government has the legal right to compulsorily evacuate British women from this Colony under the emergency regulations has been widely discussed, unofficially, of course, by prominent lawyers in Hongkong. The Hongkong Daily Press understands that there appear to be two very strong schools of thought on the matter.

"The whole issue depends on the interpretation of the word 'Whatsoever' in the Emergency Regulations Ordinance," a well-known lawyer told a representative of this paper yesterday. "And the only way in which the matter can be decided is by going to court."

AN EXPLANATION

Asked to explain how this could be done, the lawyer said: "If one of the women under evacuation orders refuses to go, and is forcibly taken by the Police and put on board, or arrested, she might take an action for assault, or wrongful arrest or some such charge, and

have it thrashed out in court as to whether the Government has the right or not to enforce evacuation."

"The lawyer then read the section of the Emergency Ordinance under which the Government was acting. Section 2 reads as follows:—

(1) "On any occasion on which the Governor-in-Council may consider to be an occasion of emergency or public danger, he may make any regulations WHATSOEVER which he may consider desirable in the public interests."

(2) "Without prejudice to the generality of the provision of Sub-Section (1) above, such regulations may be made with regard to any matters coming within the classes of subjects hereinafter enumerated."

Among the subjects for which provision is made, are arrest, detention, expulsion and deportation."

The Ordinance goes on to provide that any person who contravenes any regulations made under the Ordinance may be summarily convicted or fined up to a maximum of \$1,000, or imprisoned for a period not exceeding one year.

LEGAL RIGHTS

"The whole matter hinges on the word 'WHATSOEVER,'" the lawyer told our representative. "If the judge interprets it as giving His Excellency powers beyond those specifically mentioned in the class

of subjects enumerated in the Ordinance as coming within the purview of the Ordinance, then, the Government will be within their legal rights to enforce evacuation."

"If, on the other hand," he continued, "the judge decided that it did not give the Governor such wide powers, or if the Ordinance had not contained that word, then there would be no question that the Government would have no legal powers to enforce evacuation."

GAZETTE NOTIFICATION

The provisions made by the Government for taking this action under Emergency Regulations Ordinance are contained in the following extract from the Government Gazette Extraordinary issued on June 28, 1940:—

"Subject to any general or special directions of the Governor, the Commissioner of Police and any Police officer authorised by him, either generally or specially, shall have the power to order any woman or any child, under the age of 18 years, or any other person, whose presence in the Colony, or any part thereof, appears to him to be unnecessary for the defence of the Colony, or for the maintenance of services essential to the maintenance and security of the community therein, to leave the Colony forthwith or to proceed forthwith to some other part of the Colony."

LEAD FROM H.K. FOR JAPAN

The Hongkong Daily Press understands that a Japanese ship sailed from Hongkong yesterday with 2,000 tons of lead concentrate sold to Japan.

Matsuoka "A Bluffing Bulldog"

RENO, NEVADA, Oct. 18 (Reuters)—Mr. Matsuoka, the Japanese Foreign Minister, was described as "a bluffing bulldog of the Japanese military clique" by Senator Key Pittman (Democrat), Chairman of Senate Foreign Affairs Relations Committee, who is campaigning for re-election.

Concerning relations with Japan, Senator Pittman said:—

"We will do anything honourable to reach a peaceful settlement, but we will not surrender our rights by reason of brutal bluff made by an insignificant Japanese soldier."

TODAY'S WAR SUMMARY

ACCORDING TO AN AMERICAN REPORT, THE GERMAN delegation in Moscow informed Russian Foreign Office that Soviet attempts to extend her influence in Egypt should cease. The Soviet was also told that Germany and Italy intend to "protect" the Balkan countries against further Russian penetration.

SEVERAL FACTORIES WORKING ON VITAL WAR MATERIAL in Berlin have been partially wrecked by the Royal Air Force in their raids according to reports from neutral sources. Water transport, it is added, was dislocated.

IN CONNECTION WITH THE REOPENING OF THE BURMA ROAD heavy laden lorries are reported to be nearing Kuming. Meanwhile the Japanese state they will bomb not only the Chinese side of the Road but also the Hongkong route.

NIGHT RAIDS BY GERMAN PLANES ON BRITAIN ON THURSDAY were once again directed against London but the damage done and casualties suffered were not extensive.

WEEK-END SOCCER

STIFF TEST FOR SOUTH CHINA THIS AFTERNOON

Lee Tak-kee Playing For Champions At Right Wing

BY "PHAT"

An interesting programme of League football matches are down for this week and the best game should be that between Middlesex and South China at Sookunpoo this afternoon.

The champions, after their first defeat at the hands of the Royal Scots, are now settling down but this afternoon they will receive their stiffest test so far.

South China will be without Chan Tak-fai, who is injured, while Tsang Chung-wan is a doubtful starter but despite these handicaps the Chinese should be able to snatch both points from the soldiers.

The Chinese attack will not be weakened in any way as Lee Tak-kee, formerly of Eastern and who has just returned from Kwong-chowwan, will be seen on the right wing.

RETURN OF BRIGHT

The "Diehards" too are strengthened by the return of Bright who will be in the pivotal berth while Riches has been moved back to partner Freshwater, leaving Sheehan to lead the attack. Middlesex are a more than useful team all round and the champions will have to be at their best to keep the "Diehards" out.

In the only other Senior game this afternoon Eastern should have no difficulty in disposing of Kowloon and have the advantage of ground. Both teams are fielding the same sides as last week but Eastern are bringing Hui Ying-fuk from the juniors to fill the inside-right berth.

SING TAO—NAVY

Some entertaining soccer should be witnessed when Sing Tao clash with Navy on the Club ground tomorrow. Though the Navy, on their day, are a pretty strong eleven it is doubtful whether they can force a point from the strong Chinese team.

In view of the disappointing displays of Kwong Wah so far Royal Scots will enter the field favourites when they meet at Sookunpoo.

SOFTBALL SEASON OPENS TOMORROW WITH THIRTEEN GAMES

TWO "CRACK" FULL-BACKS FOR EASTERN

Two of Eastern's star players, Woo Ki-cheung and Lee Ne-zing, who featured so prominently in the defence line of the champion Chinese football team during their recent tour of the South Seas and Burma, will be returning to Hongkong to play for Eastern this season, it is reliably understood.

Both these players are now in Shanghai and they expect to be here before the end of next week, together with Hui Van-kwei (centre forward) who went to the North two weeks ago.

The appearance of these three players in Eastern line-up in their League and Shield encounters, assures a prominent place if not the top position, for Eastern at the end of the season.

H.E. To Open Yatch Club's New Building

His Excellency the Acting Governor will sail with Mr. N.Y.A. Coucher, Commodore of the Royal Hongkong Yacht Club, in the latter's yacht "La Cigale I", in the opening cruise of the Club, on Saturday next, Oct. 26, embarking at Murray Pier at 2.15 p.m. The race will finish in the neighbourhood of the Yacht Club, which His Excellency will declare formally open at 5.45 p.m. A cocktail party and supper will follow.

Major Manners To Pitch First Ball: Cardinals No Opposition For Wildcats

As in past years, the Ladies will have the privilege of starting the season off in the traditional manner when, at 9.15 a.m. tomorrow, Major C. M. Manners, President of the K.F.C., performs the opening ceremony of pitching the first ball to start the Wildcats and the Cardinals in the first of a seven-game programme on the Kowloon Football Club ground.

Although many of the teams are not yet fully equipped with uniforms, and gear, a total of thirteen matches will be played during the day for the longest day's schedule since the inception of softball in the Colony.

The Wildcats have formed an exceptionally strong team which includes the Mar sisters, Doris, Lily, Gloria, and Mary, Irene Pereira, Thelma and Cynthia Motta, Thelma and Dolly Collaco, Nancy Maxwell, Vivienne Churn and Kitty Bush in addition to other very useful players, and should hold a decided edge over the Cardinals whose line-up is as yet undecided.

The last of the girls' games will be the Recrelo-Canadian Chinese fixture on the ferns' ground at 10.00 a.m. Without Margaret Oliveira and Irene Pereira, the Ramblerettes look like having a leaner time than they did last year and are not expected to trouble the Maple Leafs whose only loss is their hard-hitting third-sacker Mabel Louie who has returned to Canada.

WAHOOS FAVOURED

The Wahos and Chung Hwa tangle in the second clash at 10.30 a.m.; the Green Owls, last season's runners-up, will be without Roy and Lena Luongo but should still be strong enough to take Chung Hwa whose best known players are Ella Chinn, Frances Lee and May Chung. The other members of the squad are reputed to be experienced hands but without having seen them perform, it is difficult to judge how this Chinese aggregation is going to fare.

MEN'S GAMES

The first division of the Men's League will play all their fixtures on the K.F.C. ground, and commence with the Recrelo Aces in

MAE WEST AT MAJESTIC

My Little Chickadee

Offering a double-barrel barrage of hilarious comedy, whoop-em-up action and whimsical romance, Mae West and W. C. Fields new starring picture, Universal's "My Little Chickadee" opens tomorrow at the Majestic Theatre. The production is unquestionably one of the most riotous entertainments to come out of Hollywood in some time.

In a cleverly concocted story set against the picturesque back-

ground of the 1880 frontier, the curvaceous Mae and bulbous-nosed Fields cover themselves with new glory in roles custom-tailored to their colourful talents.

Mae portrays a wise-cracking Chicago cabaret singer who causes a tornado of excitement upon her arrival in the wild and woolly wide open spaces. Fields is cast as a travelling medicine man and card-sharp who is fascinated by Mae and who struggles valiantly throughout the film to win her affections.

In the film Miss West sings "Willie of the Valley," written especially for her. She is accompanied by the well-known musical trio, Gene Austin and Candy and Coco.

FOOLISH MISTAKE TO UNDERRATE ITALIAN THREAT IN EGYPTIAN CAMPAIGN

"Strategic" On Nuisance Value Of Moves In Europe

LONDON, Oct. 18 (Reuter) — Whatever the meaning of the new Axis movements in the Balkans they argue an interesting diffidence in proceeding with the problem as it is.

The movements appear to have no immediate, though they have a remote bearing, upon the campaign in Egypt.

These conclusions are reached by the well-known expert "Strategic" in this week's Spectator.

The writer finds it significant, strange that caution should still loom so large in the Axis approach to the Egyptian campaign, seeing the opportunities Italy has had to mature her plans without molestation during the period of her non-belligerency and especially considering Italy's caution in timing her entry into the war for the moment when France was clearly out of it.

PINCHER ATTACK
Superficially, "Strategic" considers, the German movements in Rumania suggest a pincer attack upon Egypt, a combination of a descent from the north by Germany and the development of a thrust from Libya.

In its more picturesque form it would imply a double envelopment of the Empire via Palestine and Egypt, but cold common sense does not appear to sanction such interpretations.

GERMANY'S ROLE
It seems improbable that Germany is prepared for a military campaign in the East and unless Turkey shows complacency, of which she has given no indication, that would have to be undertaken.

What is troubling Italy is that the delay has strengthened the opposition instead of weakening it.

Germany's role may be limited to bringing pressure

LONDON, Oct. 18 (Reuter) — Lord Lothian, British Ambassador to the United States, arrived here by the American Clipper yesterday. He declined to make any statement to the Press, saying that he was going to confer with the British Government.

MAGNIFICENT GIFT FROM D.E.I.

FORTY SPITFIRES FOR R.A.F.

LONDON, Oct. 18 (Reuter) — Prince Bernhard of the Netherlands, on behalf of the inhabitants of the Dutch East Indies, yesterday gave Lord Beaverbrook, Minister of Aircraft Production, a cheque to purchase 40 Spitfires and 18 bombers for the R.A.F.

Acknowledging the gift in a letter to Prince Bernhard, Lord Beaverbrook says: "Together the two nations will endure and together they will rejoice in victory over a mean and brutal tyranny; that victory is brought nearer by the powerful fighters which you enable us to dispatch to the squadrons. In doing so, we will faithfully carry out the wish you express for naming the machines which will go into battle bearing proudly the words 'Netherlands Possessions'."

ANOTHER GIFT PLANE
The Western State's War Planes Fund, which now totals £8,500, has presented its first Spitfire to His Majesty's Government. The plane will be known as the Western India State.

Damaged Hurricane Accounts For Enemy Plane In Dogfight

LONDON, Oct. 18 (British Wireless) — The ability of Spitfires and Hurricanes to stand up to punishment is well illustrated in accounts given by pilots of recent engagements.

The pilot of a Spitfire which after probably destroying a Dornier 215 and a Messerschmitt 109 was in turn attacked by six more Messerschmitt 109's when only a few miles from the French coast had no alternative but to cut and run.

He stated: "I started for the English coast, but I was hit about three feet forward of the tail unit on the starboard side which caused a slit three feet long and cut one rudder control cable. At five miles from my base, I received a shell through the crank case which broke the throttle control. The engine caught fire and I switched off. I again switched on at about 1,000 feet to enable me to reach the coast."

ENGINE BLAZING
"The engine was blazing and flames and coolant liquid were filling the cockpit. The engine stopped over the coast area and I put down the wheels and flaps and made a safe landing at my aerodrome."

A Hurricane after being hit by the cannon and machine-gun fire from a Messerschmitt 109 and with half of its right aileron shot off, started for home.

The pilot then saw a Junkers 88 being attacked.

"I got in one burst and then hurried off while three other Hurricanes attacked it. The Junkers caught fire and crashed to the ground."

JOINED IN ATTACK
"I climbed up again, somehow and saw a Messerschmitt 110. I joined in the attack and got in three good bursts, one of which caused smoke to pour out."

"Another Hurricane also fired. We were down to about 500 ft. I fired again as he was coming towards me. He turned and crashed at the Surrey aerodrome. I landed there too and left my Hurricane to be repaired."

Canterbury Cathedral Has Narrow Escape

LONDON, Oct. 18 (Reuter) — Canterbury Cathedral had a narrow escape in an air raid yesterday afternoon when a formation of fighter-bombers, diving out of the clouds, dropped 20 high explosive and incendiary bombs in the town. Three of the bombs fell in the precincts of the Cathedral.

The Ministry of Home Security announces that some damage was done to the Deanery and in the precincts but the Cathedral itself, where panes of glass were damaged in a raid last week, suffered no harm.

One bomb landed in front of the garden of the Deanery but Dean Hewlett Johnson and the members of his staff, who were sheltering in the vaulted passages, escaped injury.

About a dozen private houses were wrecked but most of the bombs fell in the open spaces and only one man, who was a member of the Home Guard, was killed.

THREE DESTROYED
Three enemy aircraft have been destroyed yesterday, it is announced officially. One British fighter is missing.

It is now confirmed that four enemy bombers were destroyed on Wednesday night.

LACONIC COMMENT
The Air Ministry communique makes laconic comment on the German High Command communique admitting the loss of only two aircraft on Wednesday night.

"The four German aircraft destroyed on Wednesday night can be seen near Harwich, Bishop Stortford, Denbigh and Fyone," remarks the Air Ministry.

Yesterday's German attacks were in south-east England and in accordance with the new custom were mainly carried out by fighters flying at a great height.

With complete regularity each formation was set upon by large forces of British fighters and these formations scattered.

Few succeeded in reaching the London area and apparently few bombs were dropped.

FANTASTIC CLAIM BY JAPANESE

TOKYO, Oct. 18 (Reuter) — Three Japanese columns, advancing from different directions, established contact early on Wednesday morning, completing the encirclement of 20 Chungking and communist divisions, states a Domei Agency message from "Somewhere in China."

The message adds this was the culmination of an intensive five day drive launched along a front of nearly 200 miles straddling the Anhwei Chekiang border south of the Yangtze River.

Up to Wednesday evening, the Japanese claim, the Chungking troops had abandoned 5,000 dead.

U.S. OFFER TO DE GAULLE

AMBULANCES FOR FRENCH ARMY

LONDON, Oct. 18 (Reuter) — An offer to provide ambulances and volunteer drivers to serve with the French Army has been received by the headquarters of the Free French Forces in London from the American Field Service in New York, states a communique issued by General de Gaulle's headquarters.

A letter to General de Gaulle states that volunteer ambulance drivers of the American Field Service, who had served with the French Army in France and who had returned to the United States, are again anxious to serve with the French and are ready to volunteer for service if the opportunity arises.

General de Gaulle, in a communique, states that he has gladly accepted this generous offer from America.

AMBASSADORIAL MOVEMENTS

LONDON, Oct. 18 (Reuter) — The Soviet Prime Minister yesterday received the Turkish Ambassador who returned to Moscow from Ankara on Saturday.

At the same time the new Soviet Ambassador to Turkey was received by the Turkish Premier in the presence of his Chief of Staff.

The British Ambassador called on the Turkish Foreign Minister and had an exchange of views.

ITALY'S POUND OF FLESH

Popolo D'Italia Is Apprehensive

LONDON, Oct. 18 (Reuter) — The Popolo d'Italia, commenting on Marshal Petain's recent message to the French people, declares that the Vichy Government says, in effect, that France today would be willing to transform herself but that the Axis Peace Commission would have to reduce its claims.

Declaring that certain neutral newspapers have given this interpretation to Petain's message, the Popolo d'Italia says that the following points must be made clear:

Firstly, the war was not started and won to give France a totalitarian regime.

Secondly, the Vichy Government is making a big mistake if in the "revolution from above," it is trying to save what France has lost.

Thirdly, when France has paid all that she will have to pay, she will be free to choose the regime which she prefers.

POWERS FOR WEYGAND

"It will be necessary to send workmen up in the morning to remove the object — not without some danger to life and limb."

importance — some outstanding academic achievement no doubt."

"Yes, Sir."

"Thank you, Sir."

SENTENCES TOTALLING 16 YEARS PASSED ON 14 MEN IN FIRST DAY OF THE SESSIONS

"Cat" Imposed: Deportee's Request To Chief Justice

Sentences totalling 16 years' hard labour were imposed by the Chief Justice, Sir Atholl MacGregor, on 14 men who pleaded guilty to their respective charges at the first day of the Criminal Sessions yesterday.

The men were arraigned on counts ranging from breach of the Deportation Ordinance to assault with intent to rob and possession of arms and, additionally to the prison terms imposed, several were also ordered to be caged. One charged with assaulting a woman, was ordered to receive 12 strokes of the "cat."

Wong Choi and Shiu Sik-kwong, 11cc for robbing three women who admitted breach of the Deportation Ordinance, were each sentenced to 15 months' hard labour, while Li Sang and Cheung Chi received a sentence of 12 months each.

In sentencing Wong Choi, his Lordship said he would not impose a heavy term as there was no reason why the defendant should live in comfort on the taxpayers' expense and that he hoped legislation would soon be introduced to keep people like the accused out of the Colony.

In the case of Li Sang, prisoner asked his Lordship to have him banished to his native city Foochow, otherwise, he hinted, he would not guarantee he would not return again.

HEAVY SENTENCE
The heaviest sentence imposed yesterday was on Li Hung, who was arrested for theft of gold ornaments and \$200 in cash from Chan Yin-Chuen in Kowloon on August 27. Li Hung had eight previous convictions for larceny, one for burglary and two for breach of the Deportation Ordinance and he asked his Lordship to deal with him leniently as, he said, he had already stolen the articles. Li was sentenced to two and a half years' hard labour.

Sentence of 12 months' hard labour and 12 strokes of the cane each were imposed on Li Yun and Au Ping-mun. The two accused were arrested by the po-

Mr. Lee Kwan-hang and his bride, formerly Miss Chung Kat-lay.—(King's Studio).

Each camp lasts seven days, and Officers and Volunteers are required to attend for the full period during which their units are under training, unless special exemption has been obtained by themselves or their employers.

The very active co-operation of employers is requested so that each Officer and Volunteer may do his full time in camp, even if means other employees doing extra work for that period. In this connection it is pointed out that telephones are installed in each camp site for the use of Volunteers and it is preferable that a man be granted two or three hours leave from camp to attend any special business rather than be exempted for several full days on the chance of his being required. In special cases, where exemption from a portion of the full period is sought employers should always request leave for the employees in writing, as early as possible from the Commandant, H. K. V. D. C., Volunteer Headquarters, Garden Road.

POLICE REPORTS

A linen suit, valued at \$35, was stolen from Capt. Gracey's residence, 12 The Peak, some time between 3.40 p.m. and 4.45 p.m. on Oct. 17.

While Junk No. 43447 was anchored at Aberdeen Harbour three Chinese, two of whom were armed with revolvers, boarded her at 3.30 a.m. yesterday morning and robbed members of the crew of four pairs of gold bangles valued at \$374, according to a report made to the Police by Leung Koon, master of the junk.

Mr. R. H. Clark of Tai Hang Road, has reported the loss of 125 feet of rubber hose valued at \$25 on Oct. 17.

Clothing and money to the total value of \$51.50 was stolen from the residence of Mr. D. Gordon, 118 Nathan Road, top floor, on Thursday.

A Chinese female, Chung Sau-lui, and her three-year-old daughter, Lo Yuk-ming, were instantly killed when they were knocked down by the 5.50 p.m. up-train from Kowloon, near Li Chi Shan, on Wednesday. The bodies have been removed to the Kowloon Mortuary.

BAN ON GOODS THROUGH H.K. TO CHINA NOT YET REMOVED

Mr. N. L. Smith, Colonial Secretary, interviewed yesterday said that his verbal statement on October 17, 1940, to Mr. Okasaki, Japanese Consul-General, had been based on his interpretation of a telegram just received from London. He now understands that consideration is being given to a counter-suggestion that the Hongkong part of the July agreement was not confined to the three months term of the main agreement.

The local restrictions, not only on munitions proper, but on the other specified articles, have not yet been removed and will not be until the result of the diplomatic negotiations is known.

HEALTH RETURNS

The following is the return of notifiable diseases notified as having occurred in the Colony during the 24 hours ended at midnight on Oct. 17:—Cholera, one case; Enteric Fever, two cases; Dysentery, one case; Tuberculosis, 24 cases.

ALLEGED ACCEPTANCE OF \$5 BRIBE

Chinese Constable Faces Charge At Central

Alleged to have accepted a bribe of \$5 on Oct. 13 while being a public servant, constable C489, Chau Chun, 39, attached to No. 7 Police Station, appeared before Mr. G. T. Lowry at the Central Magistracy yesterday.

Sub-Insp. R. Cunningham, who appeared for the prosecution, asked that the second case in which Chiu Ching, 37, packer, was charged with larceny of 34 catfish of "Sang Ti," a Chinese medicine, belonging to Wong Siu-chan, from No. 54, Bonham Strand, West on Oct. 13, be heard first.

The two cases were connected, and he intended using the second defendant as a witness.

Dealing with the second case, Sub-Insp. Cunningham said Chiu was employed by the Wai Yuen Medicine firm to do some packing for them. Defendant stole some of the medicine, while the shop's folk was away, and went to No. 54 Chung Sau Street West where he proposed to sell the medicine. On the way he was stopped by first defendant and, after a conversation continued his way.

MEDICINE SOLD
Defendant went to the Yiu Hee Lung medicine shop, where the medicine was sold, and asked for \$5 and left the shop but returned later and collected the remaining \$19.50.

Defendant had been a packer for nine years and had a wife and two sons who were in the country. Taking into consideration that it was his first offence his Worship bound over defendant in the sum of \$50 for six months.

Coming to the first case, Sub-Insp. Cunningham said about 11 a.m. on Oct. 13 first defendant, Chau Chun, was seen in the company of Chiu and a coolie in Ko Shing Street. The party then proceeded towards Queen's Road West into Chung Sau Street West.

Chiu and the coolie then went into the Yiu Hee Lung shop and Chiu was bargaining the price of the medicine. Chiu was also overheard as saying that he had to get \$5 to pay "tea money."

44 HANDS OVER
Chiu left and was seen, it was alleged, to hand over \$4 to defendant, and after further conversation another \$1 was given.

PIRATED BOOKS FIGURE IN COURT ACTION

BOOK SHOP OWNER FINED \$200

Summoned by MacMillan and Co., Ltd., and Longman Green and Co., Ltd., respectively, for knowingly selling, on Oct. 1, infringing copies of books for which copyright subsists, the Modern Readers' Service, of No. 33, Queen's Road Central, first floor, was fined \$100 on each summons by Mr. E. G. Sheldon at the Central Magistracy yesterday.

The infringing copies which defendant was stated to have sold in the first summons were Hall and Stevens' School Arithmetic, Hall and Stevens' School Geometry (Pt. 1-6) and Nesfield's Grammar, books 1-4 (four volumes), and in the second summons the infringing copies were the New Method Readers, Vol. 1, 2, 6, and 7.

Mr. M. A. da Silva, for the defendant, pleaded guilty to the two summonses.

SUMMONSES WITHDRAWN
Two other summonses, also brought out by the same two complainants, against defendant for unlawfully selling the books mentioned in the above summonses to which "false" descriptions were applied contrary to the Merchandise Marks Ordinance, of 1890, were withdrawn by the complainants.

Mr. Silva, pleading in mitigation for the defendant, said the defendant was a refugee from Shanghai and was the sole proprietor of the Modern Readers' Service. The defendant could not read or write English and had been advised by a friend to open a book service.

Most of the books, said Mr. Silva, had, in fact, been sent down from Shanghai where they were printed.

UNCONSCIOUS INFRINGER
In this case, went on Mr. Silva, his client was an unconscious infringer and asked his Worship to take this into consideration.

He offered that his client's premises be searched and any books with copyrights found in them turned over to the complainants.

Mr. R. M. M. King, for the complainants, said the proceedings were similar to those taken

AMERICAN RED CROSS RELIEF WORKERS

SCROLL PRESENTED BY CHINESE

A tea party was given at the Gloucester Hotel yesterday by the Student Body of the Canton University in honour of Dr. John E. Baker, captain, Mr. Walter Weisilius, vice-captain, and Mr. Arthur Fifer, auditor, of the American Red Cross Relief Workers.

Mr. Jackson Tong presided, and was supported by Messrs. Sunhy Tai, Wilson Lee, O'Young Kwong, Leung Kwok-choy, and Sum Kwok-kai.

In introducing Dr. Baker, Mr. Tong said that Dr. Baker and his colleagues were important members of the American Red Cross Relief Workers. They had only recently arrived from San Francisco.

Dr. Baker, continued the speaker, had been in China for the past 24 years and was in every sense of the word, a real friend of China.

SYMPATHY WITH CHINA
Replying, Dr. Baker extended to those present, and to China, the feeling of sympathy which their friends overseas had for China in her days of distress and exhorted his hearers so to continue their studies that when the time came for them to take their place in the world, they might prove worthy sons of China. (Loud applause.)

A magnificent scroll, bearing the Chinese characters "Chun Yun Sin Luen" meaning "Pertaining to kindness and good neighbourliness," was then presented to Dr. Baker.

Earlier in the week and the object was to stop the sale of "pirated" books.

BOOKS CONFISCATED
Regarding Mr. Silva's submission that his client could not read or write English, Mr. King said defendant must have had some assistance in view of the fact that English advertisements had been inserted.

In imposing the fine Mr. Sheldon also made an order for the books to be turned over to the complainants.

HONGKONG, OCTOBER 19, 1940.

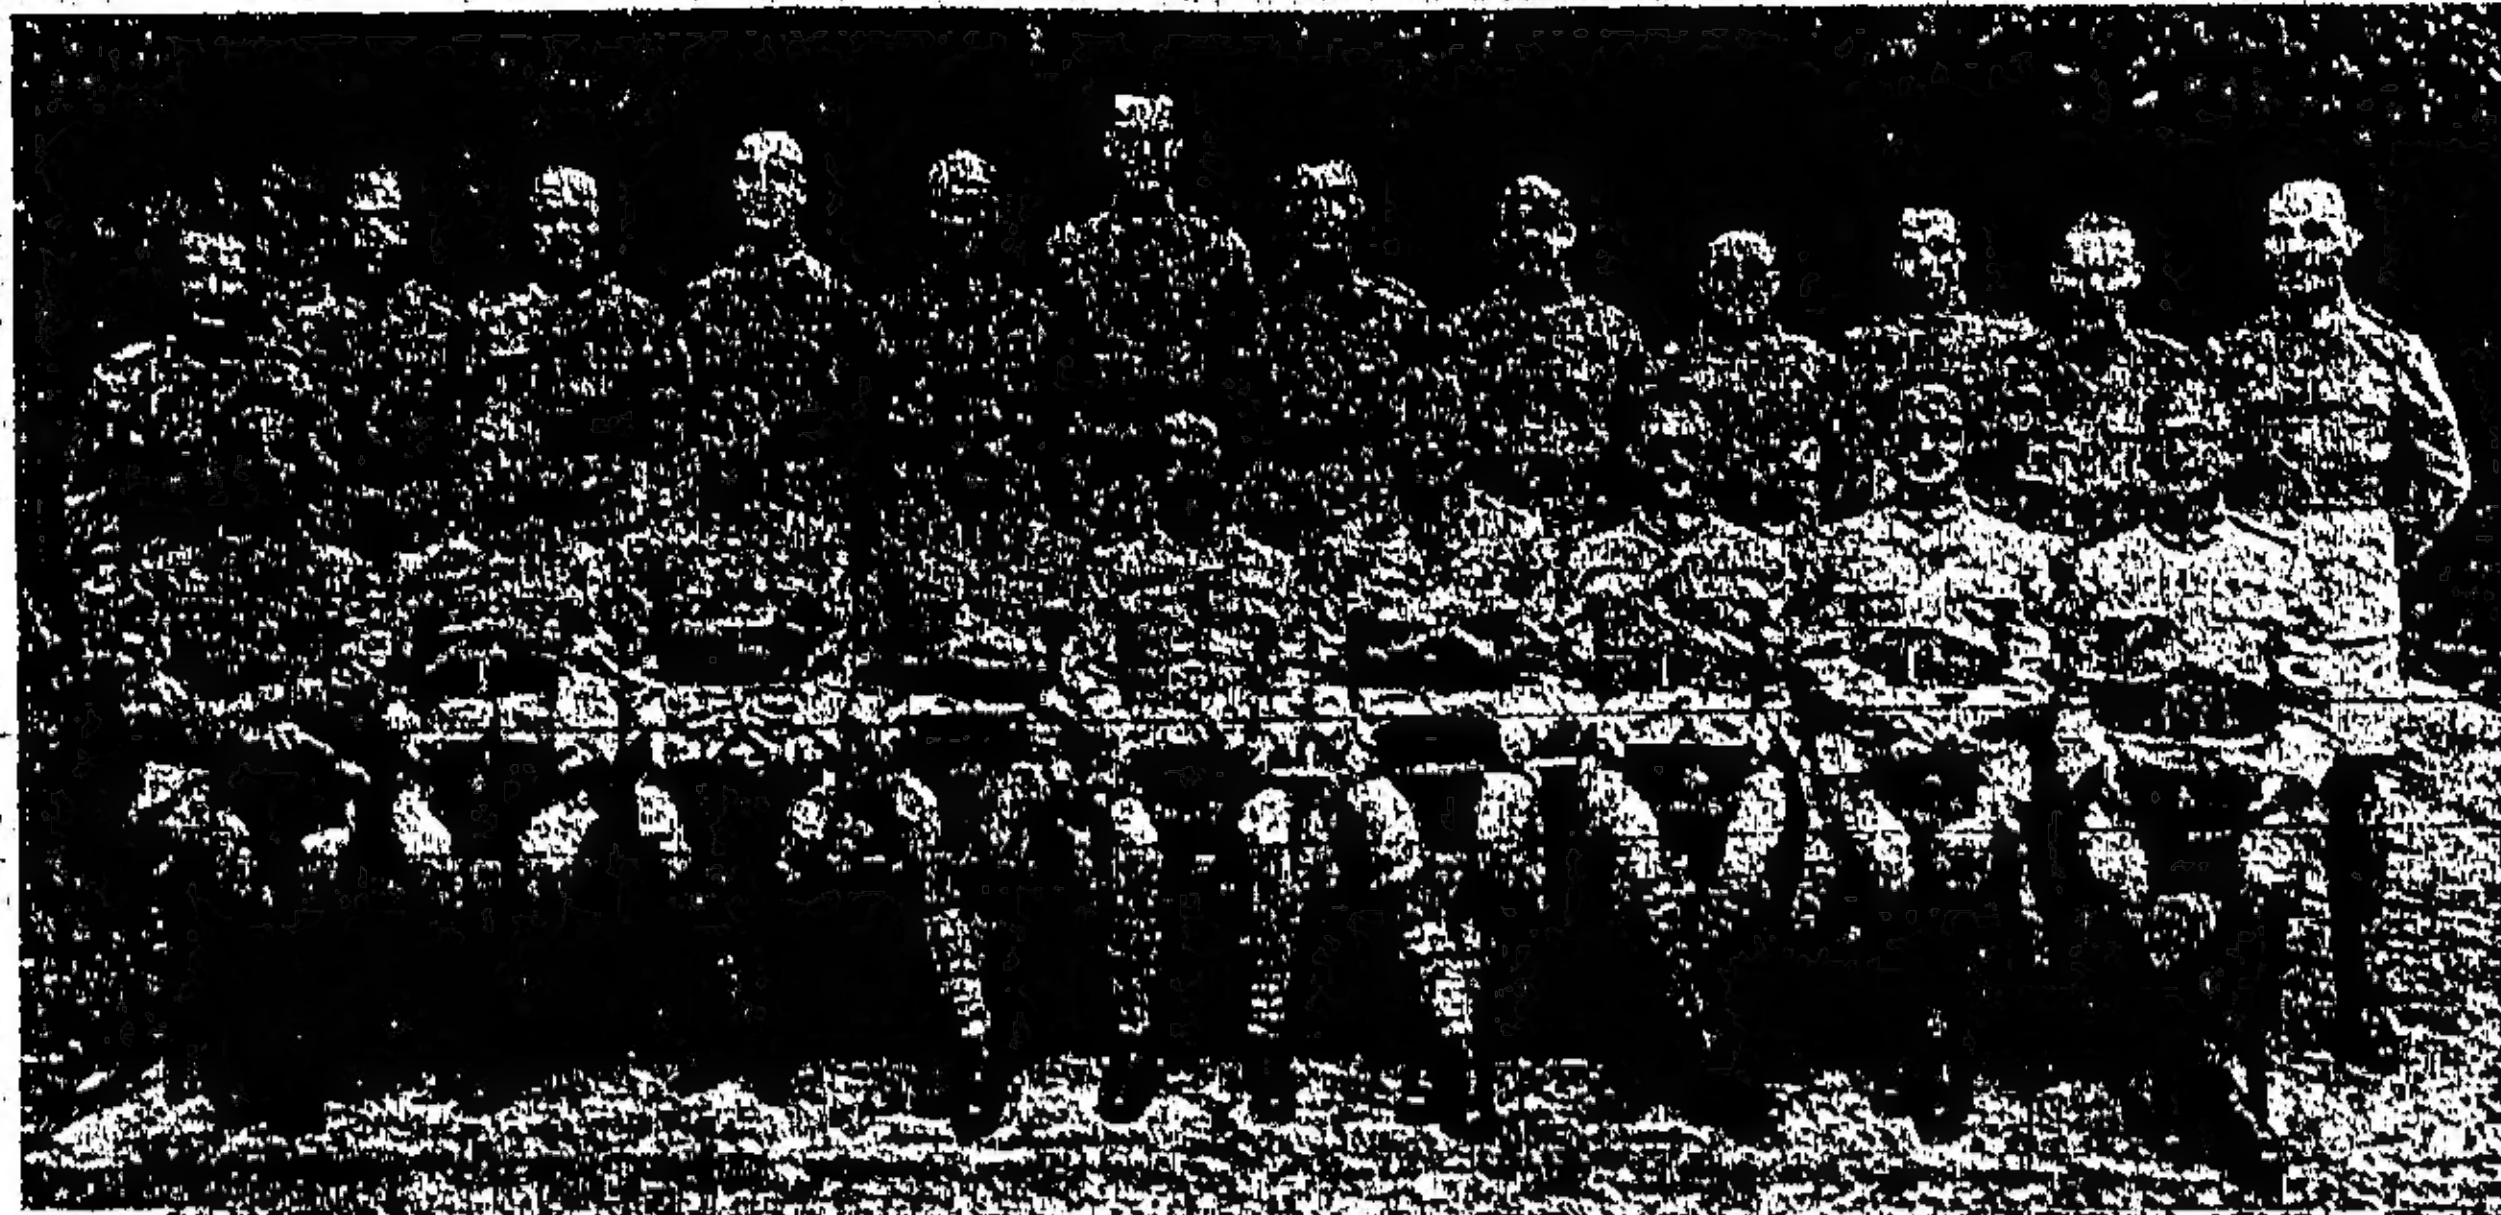

HONGKONG'S RADIO EFFORTS

THE AIR today is full of news. From every corner of the world, broadcast stations are vying with each other in twenty-four hour a day programmes in order to keep the people of every country informed of what developments are taking place and their effect on the international situation. Carefully selected commentators address their unseen listeners and analyse and explain to them the significance of certain events so as to place the true facts of each occurrence in their correct perspective in order to counteract misapprehensions and faulty conclusions reached by propaganda served out to them from other sources. The British Empire's broadcasting system has been exerting itself to tremendous efforts in order to keep the peoples of the whole world in close touch with the British aims and the British point of view in the present critical times. The British Broadcasting Corporation has risen magnificently to the occasion and its daily service of news and talks, judiciously interspersed with periods of entertainment, has become more and more popular to such an extent that the average listener readily tunes in to Daventry in preference to other stations.

STATION ZBW, in Hongkong, as part of the Empire's broadcasting system, cannot neglect its duty in making a contribution to this magnificent radio effort. It has to recognise that it is under obligation, not only to the rest of the Empire, but also to its 5,000 listeners in Hongkong to share in this responsibility. Its present lackadaisical attitude in the matter of its programmes and broadcasting methods requires a complete revision and more enterprise will have to be shown than has been apparent in its present policy. The station is reported to be well staffed, rather over-staffed, if anything—it has all the advantages that other stations have, its scope is not limited and there can, therefore, be no excuse for its continued tendency to ignore public tastes and demands for brighter and more illuminating programmes than it serves out at present. When it is considered that \$72,000 in licence fees are collected every year from listeners, the cry for a more ambitious-minded policy becomes fully justified.

THE HANDLING of the programmes at ZBW today have called forth many complaints. The news broadcasts are carefully arranged, with the result that a great deal of repetition occurs with boring frequency. Musical programmes are ill-chosen, the tastes of the few evidently prevailing against the wishes of the many. How many of the 5,000 listeners in Hongkong, we may ask, relish Chopin with their lunch on Sunday and Beethoven with their dinner the same night? Why persist in forcing high-brow entertainment down the

ears of listeners four times a week? Why, has no effort been made to invite qualified speakers, men versed in political and diplomatic experience, to talk to listeners and furnish them with enlightening and instructive subjects which must ultimately prove of benefit to them? The present system at ZBW appears to be a careless dependence on a few relayed talks from Daventry, with no attempt being made to provide such invaluable speakers themselves. The answer may be that such men are not available for this purpose in Hongkong. Why not search the ether for them? Manila, San Francisco, Singapore, Calcutta, New York, Chungking, Rangoon, every one of these stations will be only too glad to co-operate in having programmes of particular interest relayed to listeners in Hongkong through ZBW if such a desire is expressed by the broadcast authorities here. Many and interesting are the talks which come over these stations to those who can afford to indulge in the luxury of all-wave receiving sets. ZBW must cater for rich and poor alike and the listener with a crystal set should not be denied these instructive and educational advantages. Seventy-five per cent of Hongkong licence holders will be perfectly willing to forego ZBW's children's hour, weekly news letters, talks on books and classical music if they are given interesting addresses on present-day events and cheerful entertainment. It is enterprise which is lacking as far as ZBW is concerned and it must expect to have criticism levelled at it frequently, unless it rouses itself to a wider sense of its responsibilities to the public.

Cecil Robertson at the Fung Ping Shan Library yesterday, Hon. Mr. Yeh Kung-cho declared: "Hitherto, much has been done to introduce Chinese art to the western public, while, on the other hand, not nearly as great efforts were made to introduce western art to the Chinese, and it is in the light of this that we should appraise the value of this exhibition."

MISS AI-LIEN TAI
DELIGHTS WITH FINE
DANCE RECITAL

The dance recital by Miss Ai-Lien Tai in the Rose Room of the Peninsula Hotel last night attracted a large and enthusiastic attendance, among the many present being His Excellency the Acting Governor, Lt.-Gen. E. F. Norton, C. B., D. S. O., M. C.

The recital was given under the auspices of the China Defence League and was in aid of Chinese War Orphans.

Miss Tai, who was the premier artiste on the programme, delighted with a series of graceful interpretations to dance themes both occidental and oriental, ranging from "Les Sylphides" by Chopin to Prokofiev's "Guerilla March."

"La Gitanouise" by Debussy was a first offering by Miss Tai, and was executed with exquisite grace.

The second part of the programme saw Miss Tai in two Chinese dances.

For her curtain appearance, Miss Tai presented two expressive dances in modern style.

The first of these, "Ching Hsing" (Alarm!) was borrowed in part from the Javanese Dancers who visited London in 1938. Miss Tai in her choreography considerably expanded the concentrated technique of the Javanese. The costume for this dance was designed by Mr. Yeh Chien-yu.

Mr. Y. K. See (Bass) contributed to the programme, four operatic selections.

Mr. Walter H. D. Yeh was heard in a flute solo, and appeared also in a quartet with Mr. Chao Pu-wei (Viola), Mr. Ho On-tong (Viola), and Mr. J. R. M. Smith (Piano). Telemann's "Sonata a Quatre" was the offering.

The Chamber Orchestra with Mr. J. R. M. Smith as Conductor and Mr. Chao Pu-wei as Leader opened the programme with a selection from Bach, and gave also a rendering of Grainger's "Handel in the Strand," which was well received.

AMERICAN POLICY WILL CONSIDER FURTHER RESTRICTIONS ON JAPAN

Bulgaria On Germany's Road To The East

Interest in London today centres round the reopening of the Burma Road," said MR. CYRIL LAKIN, Assistant Editor and Literary Editor of the Sunday Times, when he broadcast from Daventry last night.

"Reports of the safe arrival of the first contingent of Chinese lorries in Kunming is front page news and the fact is stressed that the reopening of the road coincides with the coming into effect of the U.S. embargo on war materials to Japan.

"It is reported that the Japanese will bomb the road, but it is recognised that whatever attempts the Japanese make to stop the traffic on this road will be directed against the United States as well as against Britain.

"The decision to reopen the road was reached between our two Governments and with the expressed approval of Mr. Cordell Hull, U. S. Secretary of State. Far from being intimidated, it is clear that United States policy will consider further economic restrictions against Japan and the time of such impositions will depend on Japan's own future actions."

Mr. Lakin referred to the new appointments in the Royal Navy and said that it showed that the sea war was to be intensified and the adoption of a more vigorous naval policy.

Referring to the Near East, Mr. Lakin declared that Rumania was now completely subjected to the Axis Powers. No resistance was to be expected even from those in Rumania who had any national consciousness left.

"The country has been handed over to the Axis by the Iron Guard, the fanatical supporters of the Nazi doctrine," said Mr. Lakin. "Even if Rumania could not have resisted the Axis, she might have played a clever diplomatic game by holding the balance with Russian interests in the Balkans if she had been governed by national minded men. But now Germany is making plans to plunder Rumania and this will be organised on a large scale, just as the plunder of France has been organised."

"And after Rumania, Bulgaria, Bulgaria is on Germany's road to the East. Will Bulgaria surrender as easily as Rumania? The Bulgarians have a strong national individuality and they are born fighters."

"They are among the best soldiers in Europe. Guided by a German-born king, they joined Germany in the last war. It was an error that cost them dearly and perhaps they remember it. Among the army are pro-German elements. There are close

HEAVILY LADEN LORRIES NEARING KUNMING

The Burma Road has been opened now for nearly twenty-four hours, announced a news bulletin from Daventry last night. Already heavily laden lorries are nearing Kunming.

The Japanese threat to bomb the road has not yet materialised. If it does, there are strings of road menders ready to repair any damage and the Chinese have also constructed cleverly camouflaged hiding places into which the lorries could drive to avoid bombing. The lorries are leaving in groups of not more than 20 or 30.

The Japanese newspapers mostly demand firm action. With regard to the Hongkong route into China, they say that the closing of the Burma Road did not mean that the Hongkong route was subject to the same period of closure.

The whole matter is somewhat academic because, firstly, no arms have been sent from Hongkong to China, and secondly, the sending of other articles have been stopped and will not be able to resume unless the Japanese permit, since they are said to be in control of the frontier. It is difficult to see, therefore, what all the fuss is about.

MOCKS DICTATORS
NEW YORK, Oct. 18 (Reuter).—"Dictators cannot close all roads to freedom and the Burma Road is not the only one that mocks their insolence," declares the NEW YORK TIMES, commenting on the reopening of the highway into China.

The paper points out how limited is the Japanese offensive strength and says that China is now probably stronger than at the outbreak of the war with Japan, provided the flow of supplies from the outside is maintained.

TOKYO, Oct. 18 (Reuter).—Usually well-informed circles here believed that Japan will not only bomb the Chinese side of the Burma Road but also attack the Hongkong route if transportation of munitions to China is resumed by way of the British Colony.

Both the routes, one from the west and the other from the east, are within easy reach of bombers.

Serious Yangtsepoo Rioting

SHANGHAI, Oct. 18 (Reuter).—Serious rioting broke out in the Yangtsepoo today when a mob of strikers attacked a police officer and two Indian constables.

A foreign girl was among those injured. A police car and a laundry van were smashed by the strikers.

The rioting reached such ugly proportions that the Reserve Police Unit was called out. They were forced to fire a number of rounds into the air before the mob, who had stoned and beaten up the first party of police on the scene, finally dispersed.

children when they are told to beget children and die when they are told to die.

"As long ago as in 1933, I realised that Nazism was decadent," said Mr. Halton. "That was when I heard the 'Think With Your Blood' howl of the Nazis and the 'Believe and Fight' shout of the Fascists."

BRAVE THINGS TO SAY
"When I was a student in Europe ten years ago," continued Mr. Halton, "I used to go to Germany and wander through the Black Forest in company with young Germans of the Youth Movement. They all had such fine and brave things to say. They were full of international and liberal ideas and spoke about their ideal."

"I asked them what it was and they said 'Oh, just an ideal, a star to follow.' They got one—an evil star and they worship him."

"I went back to Germany in 1933—and found—that the Youth Movement was the most fanatical of them all and I was sick at heart to see Herr Hitler and his gangsters getting away with it time after time and year after year."

"Thank God, they are not getting away with it this time."

Mr. Halton paid a fine tribute to the young Britons in the fighting services—the young Canadians, Australians, New Zealanders and others, who, as airmen, take off daily into the skies of death to battle with those who outnumber them by three to one. "This is a struggle for freedom; it is the battle of Churchill against Hitler, truth against lies. It is quiet humour against the loud Nazi laugh. It is the homely philosophy of England against the wild bellowing of Herr Hitler and his men. It is the courage of young Britons against the slave-minded German youth, who thinks with his blood. It is the hope of the world against the call of the wild."

SPANISH BAN IRES SWISS

ZURICH, Oct. 18 (Reuter).—The Swiss Legation in Madrid has been instructed to inquire into the Spanish Government's reason for prohibiting the entry into Spain of Swiss citizens between the ages of 18 and 40 travelling to Anglo-Saxon countries, especially Canada, states the Basler Nachrichten.

CORRESPONDENCE

LEGAL ASPECT OF EVACUATION

To The Editor, H.K. Daily Press.

Sir,—It is interesting to recall that H.E.'s letter, addressed to Mrs. Clarke, and published in yesterday's press, did not mention whether the separation of husbands and wives by Government was a legal step.

In effect, it merely expressed sympathy for the "unfortunates" and asked them to be brave, and take it.

I understand that the wives of a number of legal gentlemen still remain, and intend to remain in the Colony—also, the wives of a number of Officials. Why? Because, I suggest, that the so-called compulsory evacuation (or more correctly deportation) was not legal, and I would therefore ask that some fair-minded person, with a knowledge of the law, comes out into the open and expresses that knowledge.

(The general public are awaiting, with interest, the Government's decision as regards the lady mentioned by Mrs. Kemp in her appeal for exemption; also, one many other ladies who still remain in the Colony and presumably intend to defy Government.)

The odds are that Government will not, or cannot, insist on their departure.

Yours, etc.

NOTE BY EDITOR: We have been able to secure legal opinion on this point, which is published in another column of this issue.

OVERSEAS LEAGUE TOBACCO FUND

To the Editor, Hongkong Daily Press

Sir,—I should like to suggest to those of your readers who feel, with the approach of Christmas, they wish to demonstrate their gratitude in some tangible form to our fighting forces for the magnificent work they are performing in their fight for freedom, that there are few better ways than by subscribing to the Overseas League Tobacco Fund.

For the modest sum of one shilling (80 cents) one package of twenty cigarettes or its equivalent pipe tobacco is forwarded to a man on land, sea, air, wounded in hospital or taken prisoner of war. Each package contains a Reply Postcard ready addressed to the donor, so that the recipient may send his thanks.

It can be appreciated what it means to the men to know they are remembered in all parts of the Empire.

I shall be very pleased to receive subscriptions in local currency or Sterling, as convenient, forwarded to the above address or c/o The Hongkong Electric Co.

Yours, etc.
G. G. STOPANI-THOMSON, H.C.S.

SUMMONS DISMISSED

Lai Shing, detective attached to the Tsim Wan Police Station, appeared before Mr. S. F. Balfour, at the District Office South, yesterday, on a summons for assault brought against him by Wong Hang, of No. 4 Mallory Street. Hon. Mr. Leo d'Akna, jun., instructed by Mr. E. C. Hobbs, appeared for the complainant, and Mr. D. H. Blake, defended.

Traffic was further interrupted by raids on railway sidings at Potsdamer and Anhalter stations. Damage seriously affected the transport system and one traveller from Berlin for Rhineland spent three days instead of 12 hours on the journey. Much changing was necessary and travellers had to often walk some distance from one train to the next.

Other travellers had to change more than a dozen times on what was previously a straight forward trip.

TRANSPORT DISLOCATED
Transport on the waterways were also dislocated. Miteland Canal was interrupted for five days.

At Hamburg during one raid, five ships were said to have been sunk in the harbour and only seven of the 75 cranes on the quay are working.

Great industrial plants over a wide area have been severely punished.

A factory at Bremen was greatly reduced by bombs and at Wismar one hangar was completely gutted and all aircraft inside destroyed.

The Germans claimed that a British torpedo-boat was hit but this was denied in London.

CATHOLIC NEWS & NOTES

MISSION SUNDAY: FINNISH VIOLINIST IN HOLLYWOOD

TOMORROW IS CELEBRATED BY CATHOLICS IN ALL PARTS OF THE WORLD AS "MISSION SUNDAY." It is a day of prayer for the spread of Catholic Truth in pagan lands and of encouragement to the people to take an active interest in the work of the Society for the Propagation of the Faith.

This Society is over a hundred years in existence, and it aims at centralising the efforts of those who wish to help missionary work. The small contributions of the members mount up when taken together and help to support many missions.

The president of the Society is Archbishop Costantini, formerly Apostolic Delegate to China. The membership of the Society runs into millions. All the members say a short prayer each day for the spread of the knowledge of Christ in pagan lands and contribute a small offering every month.

FINNISH VIOLINIST

A young Catholic Finnish Refugee, Haimo Hatto, is shortly to appear in a Paramount film "There's Magic in Music." His story is a tragic one. His father and brother were killed in battle with the Red invaders, and in the retreat from the Lake Ladoga section of Finland where the family had lived until the Russian invasion, he was separated from his mother and sister, his only living relatives, and has not since heard of them. As he is only fifteen, and was too young to fight, he abandoned his studies and made a concert tour of Norway, Sweden and Denmark. He is considered as Scandinavia's finest young violinist and he raised 3,000,000 Finnish marks for his country. Jan Sibelius, the great Finnish composer, who is deeply interested in the young prodigy's career, arranged for him to go to America where he appeared with the Philadelphia Symphony Orchestra.

COAL TRIMMER'S LETTER

Vice-Admiral Hornell is known best to people in Hongkong as the brother of the former Vice-Chancellor of the University, but he is known to Catholics in England as the Chairman of the International Council of the Apostleship of the Sea.

Returning home recently after taking a convey across the Atlantic, he wrote to Cardinal Hinsley—not about the hazards at sea but

about the devotion and patriotism of a coloured coal trimmer.

Having, as is his custom, made contact with the Catholic officials and ship's company or the ship in which he travelled, Admiral Hornell managed one Sunday to have the Rosary and devotions in the saloon.

The coal trimmer wrote to thank him for "the Catholic souvenirs you have distributed amongst us" and for the devotions. He goes on:—"You will agree with me, sir, that at such a crucial period in the history of our civilisation we do feel the strict importance of the Grace of God. We as the Negro race, and who form one half of the population of the Commonwealth of Nations, realise that the Allies are fighting for a cause of democracy in which we have a vital concern, and when we are called upon, as loyal subjects of our Sovereign Lord the King, we will be determined to carry the struggle on until final victory is won."

"As Admiral of some of His Majesty's fighting crafts, I know the responsibility thrown upon you, the dangers which surround you, and as a Catholic I pray that God may grant you courage, long life, and perfect health to continue this battle."

IN NAZI PRISON

The Rev. Martin Niemöller, heroic German Protestant pastor and former submarine commander, who has been kept in solitary confinement in the Nazi concentration camp of Oranienburg by Chancellor Hitler has now the Rev. Rupert Mayer, S.J., well-known Munich preacher and war hero, as his cell neighbour there, according to reliable information received at Geneva.

Father Mayer, who was arrested by the Nazis because he had taken a stand against them in some of his sermons, has permission to say Mass in his concentration camp cell.

It is also reported that the Rev. Niemöller has recently been reading a good many Catholic theological books.

The following citations will be read from the Bible, "We pray you in Christ's stead, be ye reconciled to God. For he hath made him to be sin for us, who knew no sin; that we might be made the righteousness of God in him" (II Corinthians 5: 20-21).

The following citations will also be read from "The Christian Science Textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Every pang of repentance and suffering, every effort for reform, every good thought and deed, will help us to understand Jesus' atonement for sin and aid its efficacy; but if the sinner continues to pray and repent, sin and sorrow, he has little part in the atonement—in the at-one-ment with God—for he lacks the practical repentance, which reforms the heart and enables man to do the will of wisdom" (Science and Health, Page 19).

EASTERN TO HAVE NEW CLUBHOUSE AND GROUND

SPECIAL TO THE HONGKONG DAILY PRESS.

A \$20,000 plan for a new clubhouse and ground for the Eastern Athletic Association has been completed and work on the scheme will commence very shortly, the Hongkong Daily Press understands from a reliable source. The location will be at Causeway Bay, not far from the present F.W.D. Recreation ground.

BRITISH AVIATION IS NOT CRUSHED

LONDON, Oct. 18 (Reuters).—The Red Star, official organ of the Soviet Army, in a comparison of the two air forces, says that air supremacy belongs neither to Britain nor Germany.

The paper added: "British aviation is not crushed and is even spreading its activity."

SOFTBALL NOTES

Continued from Page 2

not likely to retain their high standing of past campaigns. A win for them here would be a distinct upset.

DIFFERENT PROPOSITION

Composed of most of last year's Hongkong Ball Club squad, St. Joseph's anticipate an easy victory over the Hongkong Baseballers when they meet at 2.15 p.m. but are likely to receive a rude shock as the Baseballers, having been reinforced with many experienced baseballers from the States, appear to be an entirely different proposition from the pushovers they were considered to be during past seasons.

Hans Waggoner will manage the squad which will have a larger roster than ever before.

The Cyclone Sports Club, a new organisation, will tangle with the Filipino Club at 3.30 p.m. and an excellent game should result as, although neither can be classed with the strongest teams, they are quite well matched in keenness and ability.

TIT-BIT OF DAY

The tit-bit of the day's play will be the night cap between the Chinese Baseballers and the Indian Softball Club, winners of the International Series last season. The former will be piloted by Abe Liu and have enough talent to make their best showing, since their predecessors, the Vets, won the pennant in the 1937/38 season.

The Indian boys will be making their debut in the league, but are considered by competent critics to be one of the better teams.

The full schedule and umpires are as follows:—

KOWLOON F.C.
